**RESPONSE TO MOTION FOR FULL INTERVENTION RIGHTS**

The Warren County Water District, by counsel, for its response to the motion of Barren River Development Council for full intervention, states as follows:

1. This motion for full intervention rights is not "timely". 807 KAR 5:001 § 3(8).
  
2. In the event the Barren River Development Council is granted leave to intervene, its intervention should be a limited intervention. In support, the Warren County Water District states that the interest alleged by Barren River Development Council is otherwise adequately represented by the existing parties to this proceeding. Any intervention by BRDC should not result in any additional delay or further proceedings.
